

CALL FOR PAPERS

The 29th Spring International Conference of the French Finance Association will be held at Strasbourg (FRANCE), May 14-16, 2012.

We are delighted to announce Professors **Iftekhar Hasan** and **Martin Weber** as keynote speakers.

Iftekhar Hasan, Fordham University and Bank of Finland, has published many papers in several fields of finance with a particular focus on banking and corporate finance.

Martin Weber is Professor of Business Administration specialized in Banking and Finance at the Business School of the University of Mannheim (Germany). His numerous researches concentrate on the fields of behavioral finance and portfolio management.

Papers on any topic related to finance will be considered. Papers are supposed to be written and given in English. There is no charge to submit to the conference. Each manuscript will be subjected to blind review by two referees. Accepted papers will be posted on the Financial Economics Network (www.ssrn.com) and the website of the conference. If your paper is accepted, you are expected to act as chair and/or discussant in your field of research.

A PhD Workshop is planned on May 14th, 2012. We encourage doctoral students to submit papers and participate in this workshop.

Two prizes of 1000 € each will be awarded:

- Best paper of the Conference
- Best PhD workshop presentation

For submission details, please visit the Conference's website: <http://www.em-strasbourg.com/affi/>

The submission deadline is January 16, 2012.

We look forward to seeing you in Strasbourg,
