

## 4<sup>th</sup> PhD Student Research Day (PSRD)

23 June 2025, IAE Lille

**HYBRID**

### Keynote Speaker

**Prof. Marcelle Chauvet** (University of California Riverside, the USA)

### Organizing Committee

**Jean-Gabriel Cousin** (IAE Lille University School of Management, France)

**Sébastien Dereeper** (IAE Aix Marseille, France)

**Fredj Jawadi** (IAE Lille University School of Management, France)

We are pleased to announce the **4th PhD Student Research Day (PSRD) in Finance**, which will take place on **June 23, 2025**, at the **IAE Lille University School of Management**. This event aims to provide PhD students with the opportunity to present the progress of their doctoral research in a supportive and constructive environment. In particular, **1st-year PhD students** are encouraged to present their research projects—such as their dissertation proposals—and to engage in discussions with senior researchers. **2nd- and 3rd-year PhD students** are invited to present their research papers and preliminary findings. This PhD student workshop offers a valuable opportunity to receive insightful feedback and enhance ongoing research. To ensure productive exchanges, **each presentation will be assigned a senior discussant**, who will provide detailed comments and suggestions aimed at helping students improve their work.

The **4<sup>th</sup> PSRD** will include:

1. **Keynote Lecture: “Mentoring PhD Students”** by **Professor Marcelle Chauvet** (University of California Riverside, USA)
2. **PhD Student Workshop** featuring presentations by participating PhD students

The **4th PSRD** will prioritize research proposals in **Finance, Financial Economics, Banking, and Financial Econometrics**. We especially welcome proposals that cover the following areas and topics:

#### **Financial Theories and Behavioral Insights**

Asset Pricing  
Behavioral Finance  
Emotional Finance  
Financial Economics  
Corporate Finance  
Firm Valuation and Performance  
Governance

#### **Quantitative Methods and Applied Econometrics**

Applied Econometrics  
Financial Econometrics  
Causal Inference  
Nonlinear Dynamics  
Volatility Modelling  
Computational Finance

#### **Global Finance, Macroeconomics, and Systemic Risks**

Geopolitical Risks and Macroeconomic  
Pandemics and Financial Risk  
Green Finance and Sustainable Development  
Energy Finance

#### **Financial Decision-Making and Resource Allocation**

Investment Decisions and Resource's Allocation  
Funding Issues  
Management Control  
Financial Accounting

#### **Banking, Financial Systems, and Regulation**

Banking, Financial Intermediation and Regulation  
Financial Market Dynamics  
Empirical Finance

#### **Innovations and Emerging Topics in Finance**

Cryptocurrencies  
Alternative Finance  
Fintech
