

# MUSEES

## Call for Papers

### 2<sup>nd</sup> MUSEES Conference

## Modeling Uncertainty in Social, Economic, and Environmental Sciences

March 28-29, 2023, Paris La Défense, France

### Keynote Speakers

**Ithzak Gilboa** (Professor at HEC, Paris, France)

“Rationality and Bayesianism”

**Jean Philippe Bouchaud** (Capital Fund Management and Académie des Sciences)

“Why do prices change? An order-driven view of market fluctuations”

The 2<sup>nd</sup> Conference of **MUSEES Association** will be held at IESEG School of Management (France) on March 28-29, 2023.

**PAPER DETAILS:** Papers from different areas related to **modeling in social sciences** (economics, finance, linguistics, sociology, psychology, or environmental sciences) in all subject topics (like insurance, health, environment, energy, and so on) are welcomed. Papers should be written and presented in English. If your paper is accepted, you are expected to act as a chair and/or as a discussant in your field of research.

Submission and contact via the following email address: [musees2023@ieseg.fr](mailto:musees2023@ieseg.fr)

**The deadline for the submission of a full paper is November 15, 2022.**

The notification of the program committee decisions will be sent to authors by December 10, 2022. The registration deadline will be January, 30, 2023.

We look forward to seeing you in Paris, la Défense.
