We will organize the **3rd PhD Student Research Day (PSRD)** in Finance on the **26th June 2024** at the IAE Lille University School of Management. This meeting aims at enabling PhD Students to present the progress of their doctorate research. In particular, 1st year PhD Students are invited to present, for example, their research projects and to discuss them with Senior Researchers, while 2nd-3rd year PhD Students might present and discuss their research papers and their first results.
